SEXUAL HARASSMENT: CHANGING THE SYSTEM

Moderator: Caroline Simpson, Ph.D.

Faculty Fellow, College of Arts, Sciences & Education, and Professor, Physics

Speaker: Joan Schmelz, Ph.D.

Associate Director for Science and Public Outreach, Stratospheric Observatory for Infrared Astronomy (SOFIA) at NASA Ames Research Center, and Director, NASA Postdoctoral Program, Universities Space Research Association

Dr. Schmelz was honored in 2015 as one of *Nature's* top ten people who made a difference in science for her work fighting sexual harassment. She speaks and writes about topics such as unconscious bias, stereotype threat, and the gender gap. She is the current Vice President of the American Astronomical Society and a former chair of the Committee on the Status of Women in Astronomy. She previously was deputy director of the Arecibo Observatory in Puerto Rico and a former program officer for the National Science Foundation's Division of Astronomical Sciences.

2:00 p.m. ACTION ITEM

Faculty review and discussion of a new consensual relationship policy between faculty and students at FIU.

2:15 p.m. WRAP UP, FEEDBACK, AND EVALUATION
